

SERVICE OF PRAYER FOR HEALING:

6.30pm, Third Sunday, at St. Peter's Anglican Church.

The bible encourages us to gather, wait and seek the Lord in prayer for healing while anointing the sick in God's name. We are planning to do that this evening and plan for this service to last no longer than about an hour. For those able to stay we will continue to pray for the Holy Spirit to be released on all who are facing illness
